The Training and Placement cell of NIT Polytechnic, Nagpur is an integral part of the academics. It helps in shaping the careers of our students.

The Training & Placement Cell works diligently to provide a workable environment to the Students that enables them to understand the requirements of corporate & Industrial world. Its aim is to find an appropriate place for students in the corporate.

The Training & Placement Cell continuously explore different areas of opportunities for Placement. The Training & Placement Officer maintains liaison with industries for Summer Internship, Industrial Visit, Guest Lectures as well as Placement of students.

The soft skill & personality development workshops help students to polish their communication skills, build confidence; to make students industry fit professionals.

Every year new companies are connected with us for placement of students. Within very short period of time TnP Cell of NIT Polytechnic set the bench mark to placed maximum students not only from Vidarbha region as well as from Madhya Pradesh and Chhattisgarh. From last three consecutive year we placed more than 800 diploma students every year in various industries.

I express my sincere gratitude to all the organizations that have extended their active co-operation to the T & P Cell in accomplishing its Endeavour successfully. With great pleasure and honor, we invite industries and corporate houses on our campus and our students to take advantage of all TPO activities.
